MH2020 Abstract Guidelines

Abstracts are to be submitted in Microsoft Word format only and in the specified format.

- Text should be single spaced throughout with black Arial 10 point font.
- Text should not contain subheadings, underlines or bold type.
- Abstracts must have a maximum of 300 words.

Abstract headings should contain the following:

- Title in BLOCK CAPITALS throughout.
- Wherever possible the title should be precise so that it conveys a message
- Author names and affiliations must be included

- Abstracts should be written in the past tense, i.e. should state what was done, not what is being, should or will be done.
- Abstracts containing graphs, diagrams, or complex tables will be accepted.
- Brief acknowledgments of supporting institutions or funding may be made at the end of the text and are included in the word count.
- References may be included and are included in the word count.
